General Information:

- Loudoun Youth Volleyball (LYV) is an affiliate of Loudoun County Parks, Recreation, and Community Services (PRCS). LYV is open to all 6th, 7th and 8th grade (Fall 2007) residents of Loudoun County.
- LYV is a recreation league and takes all registrants, provided there are enough coaching volunteers at each school. Beginners are welcome and encouraged to sign-up.
- LYV has separate leagues for girls and boys with teams aligned by middle schools.
- Girls will compete in one of 3 different leagues – a 6th-grade-*only* league, a house league (mixed grades), and a select league (mixed grades).
- Boys will compete in a single-division boys-*only* league. If there are not enough boys registered at each middle school in the county to form a team, those boys will be offered the opportunity to play on a boys' team at another middle school within the county.
- All players are encouraged to attend one of the skills assessments.
- Female players of any age who wish to be considered for the girls' select team at their school ***MUST*** attend the skills assessment. Assessments will be considered a tryout for the select teams.
- Practices are held twice a week throughout the season (days and times to be determined by the individual coach's availability). Practices are held at each team's middle school, usually between 6–9 pm. Practices will begin the week of September 10, 2007.
- Matches will be held on Saturdays. Teams will play "double-headers," with matches held back-to-back. Each match has a 50-minute time limit. Games will begin on September 22, 2007.
- The season ends with a single-elimination tournament during the weekend of November 10, 2007.
- **This league needs parents and other volunteers to be successful. Coaching and refereeing clinics will be offered for those who are interested on September 9th.**
